Maywood Christian Camp

As you know, Maywood Christian Camp has such a strong influence for good with our young people. Just last year alone, there were 120 baptisms and 211 known restorations during the camp season. There is no way to measure the long-term influence Maywood has had and will continue to have on the spiritual lives of all ages. There are continual improvements being made to the camp, including a small group retreat center / college worker cabin which is being built now at the cost of \$150k. We are once again unable to do the annual bake sale, but are asking for donations to further this incredible work. If possible, donations need to be received by May 1st (Our regular bake sale time).
