Thank You Notes

Dear Church Family,

Thank you so much for all the cards, texts, calls and prayers over the course of Mother's medical decline and recent passing. The food that was brought to the house and the family meal after the service were all so delicious and much enjoyed. There is no way I can name each individual who has helped us, but, just know that you are each loved and appreciated.

Jim Davis, Jr. and the Davis Family

Thanks for all the calls, texts, & flowers I have received following my hip surgery. Thanks especially for all your prayers for my recovery. The meal that was provided on the day I came home from the hospital was so thoughtful and much appreciated. I Love you all.

Youth Calendar

The youth calendar has been updated on our website through the end of the summer! Check it out to see what is going on with our youth! If you would like a paper copy, just ask Will and he will get you one!

Mathetis is a tool produced by World Bible School for studying interactive Bible courses together in groups online. The youth group will be using it when we finish our study of Job. This will give our kids more access to spiritual things outside of the teen room! Download it and create a free account today! The code to join our group's page is OTgwNV8zMTU0

Joe Worndle Report

Dear Coworkers,

As promised I want to inform you as quickly as I can about my health, the political situation in Haiti and our work in general. First I want to tell you about my health. I feel much, much better. Physically I feel pretty good and mentally, I am catching up with my doctors' promise that I will get much better in a few months. Last year was without a doubt the worst year of my life. I am glad that things do look up for me.

But the political situation in Haiti pains me so much that honestly I don't know which is worse, my personal health or the current violence in the country. There are daily shootings, kidnappings, murders and carjackings among many violent acts. Those Haitians, among them many of our brethren who have nicer homes are told to give up their homes or be killed. Several of our brethren in the capital had to leave everything and go into hiding. So far no physical harm among our brethren is being reported. Oddly enough, none of our members have been killed. Or, we Christians want to believe God's Hand is keeping our brethren safe.

May God continue to bless you all, Joe Worndle

Paul and Timothy Mentor Program

When Paul wrote to Timothy concerning his ministry in Ephesus, he began his letter by saying, "To Timothy, my true son in the faith. Grace, mercy, and peace from God the Father and Christ Jesus our Lord." In this program, our mentors (Pauls) will hopefully have this very same attitude toward the children (Timothys) that they are mentoring. If we can substitute Timothy's name in that verse for the child's name, we will have fantastic results from this. View the child that you are going to mentor as Paul views Timothy. Another thing that we can remember throughout this program is that the individual is not just some kid. They have a very real soul that will have an eternal destination one day. Some say "it takes a village..." We are the perfect village as the Lord's church to be there for these kids. Sign up sheets are on the tables as you walk in. Turn the completed form in to Will if you are interested!
