**Important New Library Book for Parents to Read to their Children Ages 3-6**

The choices we make as children play a large part in forming who we grow to be as adults. For kids, those choices can include whether to be obedient or disobedient, to share or be self-ish, to have a good attitude or not, and more. The book encourages children to use their "magnificent chooser" that God gave them to make right choices daily. Parents will love reading this book to their kids, and kids will enjoy the content while learning lessons that will stay with them throughout their lives.
