Joe Worndle Injured in Recent Fall

Joe Worndle, Missionary in Haiti and the Dominican Republic, in a report last Saturday, indicated that he recently had an unfortunate fall. Joe writes, "It was a very big fall and I sustained several big bruises. My doctor friends came to my aid and took care of me. They all were certain I had sustained hairline fractures of some ribs or maybe I had bruised my kidneys. It figures to make a diagnosis without X-Rays. I could not breath very well and I told them that I probably bruised my lungs. They ALL gave me several shots each and thus knocked me out.

"I went home to Florida and had an X-Ray. (Still waiting for the results). I forgot something important: I am no longer 40!
