VIEW OUR CHURCH DIRECTORY ON YOUR MOBILE DEVICE!

FREE App for iPhone, iPad & Android

Our church directory is a great resource tool that allows you to get to know our church family better!

Simply go to the App Store, search for *Instant Church Directory*  and download the FREE app to begin.

You will use your email address listed in the directory to **CREATE A LOGIN** the first time you use the directory app.

If you're not listed in the directory, OR if you have trouble logging into the app, please contact Ryan (205) 487-9497.

New Pictorial Directory

There is a print copy of the new directory at each door. Please review one of these to ensure that your information is correct. We plan to make corrections for 2 weeks and then FINALLY print the directories!

REMINDER: If you want access to the online directory, we must have your email address. Once your address is in the system, you can download the app, create a login, and begin using the directory as the image shows you above.

We also need to take some individual pictures of our deacons to add to the staff page.
